PURPOSE

The Farm Credit Administration (FCA or Agency) Board reaffirms its commitment to Equal Employment Opportunity (EEO) and Diversity (EEOOD) and its belief that all FCA employees should be treated with dignity and respect. The Board also provides guidance to Agency management and staff for deciding and taking action in these critical areas.

IMPORTANCE

Unquestionably, the employees who comprise the FCA are its most important resource. The Board fully recognizes that the Agency draws its strength from the dedication, experience, and diversity of its employees. The Board is firmly committed to taking whatever steps are needed to protect the rights of its staff and to carrying out programs that foster the development of each employee's potential. We believe an investment in efforts that strongly promote EEOD will prevent the conflict and the high costs of correction for taking no, or inadequate, action in these areas.

THE FARM CREDIT ADMINISTRATION (FCA) BOARD ADOPTS THE FOLLOWING POLICY STATEMENT:

It is the policy of the FCA to prohibit discrimination in Agency policies, program practices, and operations. Employees, applicants for employment, and members of the public who seek to take part in FCA programs, activities, and services will be treated fairly. The Chairman and Chief Executive Officer (CEO) is ultimately responsible for ensuring that FCA meets all EEOD requirements and initiatives in accordance with laws and regulations, to maintain a workplace that is free from discrimination and

that values all employees. FCA, under the appropriate laws and regulations, will:

- Ensure equal employment opportunity based on merit and qualification, without discrimination because of race, color, religion, sex, age, national origin, disability, sexual orientation, status as a parent, genetic information, or participation in discrimination or harassment complaint proceedings;
- Provide for the prompt and fair consideration of complaints of discrimination;
- Make reasonable accommodations for qualified applicants for employment and employees with physical or mental disabilities under law;
- Provide an environment free from harassment to all employees;
- Create and maintain an organizational culture that recognizes, values, and supports employee and public diversity and inclusion;
- Develop objectives within the Agency's operation and strategic planning process to meet the goals of EEOD and this policy;
- Implement affirmative programs to carry out this policy within the Agency; and

- To the extent practicable, seek to encourage the Farm Credit System to continue its efforts to promote and increase diversity.

DIVERSITY AND INCLUSION

The FCA intends to be a model employer. That is, as far as possible, FCA will build and maintain a workforce that reflects the rich diversity of individual differences evident throughout this Nation. The Board views individual differences as complementary and believes these differences enrich our organization. When individual differences are respected, recognized, and valued, diversity becomes a powerful force that can contribute to achieving superior results. Therefore, we will create, maintain, and continuously improve on an organizational culture that fully recognizes, values, and supports employee diversity. The Board is committed to promoting and supporting an inclusive environment that provides to all employees, individually and collectively, the chance to work to their full potential in the pursuit of the Agency's mission. We will provide everyone the opportunity to develop to his or her fullest potential. When a barrier to someone achieving this goal exists, we will strive to remove this barrier.

AFFIRMATIVE EMPLOYMENT

The Board reaffirms its commitment to ensuring FCA conducts all of its employment practices in a nondiscriminatory manner. The Board expects full cooperation and support from everyone associated with recruitment, selection, development, and promotion to ensure such actions are free of discrimination. All employees will be evaluated on their EEOD achievements as part of their overall job performance. Though staff commitment is important, the role of supervisors is paramount to success. Agency supervisors must be coaches and are responsible for helping all employees develop their talents and give their best efforts in contributing to the mission of the FCA.

WORKPLACE HARASSMENT

It is the policy of the FCA to provide a work environment free from unlawful discrimination in any form, and to protect all employees from any form of harassment, either physical or verbal. The FCA will not tolerate harassment in the workplace for any reason. The FCA also will not tolerate retaliation against any employee for reporting harassment or for aiding in any inquiry about reporting harassment.

DISABLED VETERANS AFFIRMATIVE ACTION PROGRAM (DVAAP)

A disabled veteran is defined as someone who is entitled to compensation under the laws administered by the Veterans Administration or someone who was discharged or released from active duty because of a service-connected disability.

The FCA is committed to increasing the representation of disabled veterans within its organization. Our Nation owes a debt to those veterans who served their country, especially those who were disabled because of service. To honor these disabled veterans, the FCA shall place emphasis on making vacancies known to and providing opportunities for employing disabled veterans.
